Monday is fine for me, but by local rule it needs to include Delaware counsel as well. Jody, Joe, are you free on Monday?

Hi Akiva,

I am largely tied up this week with travel and meetings, but I can speak next Monday if that works for you.

Best,

Yes, but I'm still waiting on your availability to meet and confer on the motion for leave to amend. Could you please provide us with that? I assume this is going to be more in the way of box-checking than anything you'd really consider stipulating to, but I'm happy to be told I'm wrong. That said, we do need to have a call so we can make that motion if you're holding to the objection.
